

F. No. 4(9)/2006-NMCC (Pt.)
Government of India
Ministry of Commerce & Industry
Department of Industrial Policy & Promotion
National Manufacturing Competitiveness Council

Vigyan Bhavan Annexe, New Delhi
29th August 2011

Subject: Technical/ Financial bids for the online services for the statistical databases.

The National Manufacturing Competitiveness Council (NMCC) was set up by the Government in the year 2004 as an inter-disciplinary and autonomous body at the highest level to serve as a policy forum for credible and coherent policy initiatives for the manufacturing sector, under the D/o Industrial Policy & Promotion, M/o Commerce & Industry. The main objective of NMCC is to provide a continuing forum for policy dialogue and to energize and sustain the growth of manufacturing industries.

2. National Manufacturing Competitiveness Council (NMCC) intends to hire on contract basis, the online services for the statistical databases. The data required by the NMCC is for the services mentioned in **Annexure**. Firms with availability of data for these services are requested to send their technical proposal and financial bid to the NMCC.

3. The technical proposal should confirm availability of data basis for the services mentioned in the Annexure and should contain list of the data bases maintained by the bidders, the company's profile, since when the data is maintained, number of companies covered in the data bases, etc., which will be made available to the NMCC. The bidder in his technical proposal should also explain how it will meet the services required by the NMCC. The technical proposal should also contain the name and address of Ministry/Department and other organization where, the bidder is providing similar services on regular basis.

4. The technical proposal will be opened on 7th October, 2011 at 1600 hrs in the Board Room (Room No. 225), Vigyan Bhawan Annexe, Maulana Azad Road, New Delhi. The bidders are welcomed to be present at the time of opening of proposals, if they so wish to. The financial bids shall be opened only for bidders for whom the NMCC is satisfied with the efficacy of the proposal. The consultant should be ready to make a presentation at his cost on the proposal on the online services for the statistical databases if so required by the NMCC to ascertain the capacity of the bidder to meet his requirement of the NMCC. The decision of the NMCC on the capacities of the bidder to provide on line data bases for the services required by the NMCC shall

be final. The NMCC also reserves the right to reject the bid if any bidder(s) without assigning any reason. The date and time of the presentation, if any and opening of the financial bids shall be intimated separately.

5. The interested parties with availability of data bases for the services listed in the Annexure may send their technical proposal and financial bid, in separately sealed, with both sealed bids in a common sealed cover superscribed as 'tender for online services for the statistical data bases' so as to reach the NMCC at following address latest by 1500 hrs on 7th October, 2011:-

Shri D.P.Srivastava, Joint Chief
